

Thank you for your interest in this programme.

Using the form below, please tell us what you want to do and how much you would like to apply for. Expressions of Interest are welcome at any time and we recommend that you make yourself familiar with our areas of interest before submitting an Expression of Interest Form.

If we consider that you are likely to be eligible to apply for a grant, you will be sent an Application Form for you to complete, along with additional guidance. If not, we will advise you as to why you should not proceed to full application.
